

The Witcher Series – Book Summaries (English)

The Last Wish This collection of short stories introduces Geralt of Rivia, a monster hunter known as a witcher. The book explores his early adventures, moral dilemmas, and relationships, especially with Yennefer and Dandelion. It establishes the world, themes of destiny, and Geralt's role as a neutral figure caught between humans and monsters.

Sword of Destiny Another collection of interconnected stories that deepen the characters and introduce Ciri, a young princess bound to Geralt by destiny. The emotional stakes grow as Geralt begins to accept responsibility for Ciri. Themes of fate, love, and loss are central to this book.

Blood of Elves This is the first full novel in the saga. Ciri begins her training under Geralt and later studies magic with Yennefer. Political tensions rise across the Continent, and many factions search for Ciri due to her mysterious power and royal lineage.

Time of Contempt War spreads across the land, and political conspiracies intensify. A major magical gathering ends in chaos, changing the balance of power. Ciri becomes separated from Geralt and Yennefer and must survive on her own, growing stronger and more independent.

Baptism of Fire Geralt sets out on a dangerous journey to find Ciri. Along the way, he forms an unlikely group of companions. The novel focuses on war, friendship, and Geralt's determination to protect his adopted daughter.

The Tower of the Swallow Ciri's story takes center stage as she struggles to survive while being hunted by powerful enemies. Geralt continues his search, and the narrative explores Ciri's transformation into a stronger, more hardened character.

The Lady of the Lake The final novel brings the saga to its climax. Multiple storylines converge as Geralt, Yennefer, and Ciri face their destinies. The book mixes myth, legend, and reality, concluding the story with a reflective and emotional ending.
